

Frank Peck

Frank has been a parishioner of Our Lady of Good Counsel for over thirty years. Frank's wife, Geraldine, taught at the OLG Primary School for twenty years and two of their children attended the school.

Frank's forty-year career in the Victorian Education Department encompassed the roles of secondary teacher, high school principal, secondary school inspector and twenty years in senior administrative positions culminating as Deputy Secretary of the Department.

Frank has served on the College Boards of Marcellin College, Genazzano FCJ College and Xavier College, where he was the Chair for six years.

For ten years he worked on Australian Aid projects across the Pacific in Samoa, Kiribati and Papua New Guinea.

Frank accepted the invitation to join the representative Pastoral Council to work to strengthen the individual Church communities through their cooperation with and the support of a Pastoral Council. Frank fully supports the establishment of the Parish Life Teams at each Church to develop and strengthen the community which it serves through greater personal involvement and communication between its members.

The role of the Pastoral Council is to act as an advisory and consultative body to support the Parish Priest and clergy.

It will work to support and foster these worshipping communities by ensuring that the necessary resources and facilities are provided for them to be successful and to coordinate and promote successful spiritual and educational programs across all our communities.
